

Board-Approved Options For Homeowner Exterior Modifications and Improvements

No Unit shall be altered without the prior written approval of the Board, Architectural Committee or other duly authorized agent of the Board. All duly approved alterations shall be completed in a professional, workmanlike manner, within a reasonable time frame, at a minimal inconvenience to the Owner's neighbors, and all such alterations shall be architecturally compatible with the rest of the Project.

All requests are reviewed on a case-by-case basis.

Replacement Address Plaques (Continued)

Option 2

Take the current placard to an engraving company, such as Gold Star Award and Engraving, and have them create a matching placard to replace the existing one with.

If desired, you can use the address format that is approved in Option 1 to update your placard when ordering a replacement from an engraving company, provided it meets the color scheme, dimensions, and text formatting indicated in Option 1.

Replacements must be installed in the same location as the existing placards with as minimal impact on the stucco as possible.

Curb Address Numbers

The Board has pre-approved having reflective address numbers painted on the curbs at the ends of the driveways if residents wish to do so.

This is the criteria for approved curb numbers:

Reflective paint White background with black numbering	4" character height
Centered at the end of the driveway	Formatting Address number and unit distinction.
